Close to You

Author's Notes:
Another sappy Mike and Sean pillow talk drabble thing. From Mike's POV

Heat emitted from Sean's body as we lay together. I ran a hand through his black locks then pressed my lips to his forehead.

"You know you could be a model, baby."

His brows furrowed, "Hm, how so?"

"Well, your skin is beautiful. I could play with your hair all night it's so long and curly." I broke off to run a hand through his hair again. "That damned nose ring that you wear is so sexy." Sean smirked. "Plus the best part- your hands." I held his hand and kissed it. "I love you. You make me feel safe."
